

Reconsideration of this application in light of the foregoing amendments and the following remarks is respectfully requested.

By this Amendment claim 14 the only claim remaining rejected has been canceled without prejudice or disclaimer with the Examiner indicating in the Advisory Office Action of February 21, 1992 that claims 1, 3-9 and 11-12 were allowed.

Additionally, a marked-up copy of the original specification was submitted with the Petition of January 14, 1993 in response to the Examiner's requirement in the Advisory Office Action of February 21, 1992.

Moreover, a Notice of Appeal was filed on January 14, 1993.

In view of the fact that the only remaining claims in the instant application were indicated to be allowed and in view of the fact that the substitute specification required by the Examiner has been submitted, applicants respectfully submit that the instant Amendment places the application in condition for allowance.

In view of the foregoing amendments and remarks, reconsideration of this application is respectfully requested, and an early and favorable action upon all the claims is earnestly solicited.

To the extent necessary, applicant(s) petitions for an extension of time under 37 C.F.R. 1.136. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Deposit
